# SPLASH MAND NAPTHUEST MASTERS SUIMMING

## INLAND NORTHWEST MASTERS SWIMMING

## Inaugural Event for the First Fixed Length Cable Course West of the Mississippi

A West Coast First: Stephen, Matt, Larry, Paige at Foster Lake, the site of the 2011 U.S. Masters Swimming 1-mile cable Open Water Championship.

#### Paige Buehler Chair, IWMSC

After ten years of dreaming, planning, siting, permitting, fund-raising, surveying and constructing, there is now a fixed length open water cable course west of the Mississippi. And its inauguration was celebrated by being the site of the 2011 USMS 1-mile cable Open Water Championship.

The Central Oregon Masters Association of Oregon

Masters Swimming were fantastic hosts of this event held Saturday, July 2nd at Foster Lake just outside of Sweet Home, OR. They bussed over their swimmers and volunteers from Central Oregon to the 67-degree reservoir in the Willamette Valley about 2 hours south of Portland. Event Director Bob Bruce would have liked the water temperature to have been a little higher, but the 81 degree sunny day helped keep

most everyone warm.

What is a cable swim? As defined in the glossary of the USMS Rule Book, it is "a type of straightaway swim defined by a cable." The rules governing open water straightaway swims says that "the course shall be a straight, measured distance within +/-6 inches, in stationary water, and defined by a cable with floats or a continuous marking system visible to the swimmer. Floats on the course shall be a maximum of 10 yards apart." In this case, after the lake was drained, drums had been installed in the lake bed so that poles could be inserted into them to define a 1/4 mile distance between which a bright yellow nylon rope was run. Holding it on the water surface were the floats. And marking the poles were big, yellow buoys. The start line and the finish line were exactly offset to create the

Officials Wes Bratton 509-628-8190 wbratton7@gmail.com Greetings Swimsters,

Since we had some trouble with getting the SplashMaster formatted for posting to the website in March, I wanted to reiterate some of my Chair Words from then and let you know what's up now.

The IWMSC finished 2010 with \$3400 net income. It is my goal not to repeat that in 2011! Our Board goals this year are 1) helping Tri-Cities host a meet, 2) distributing new member kits, 3) re-establishing the Yakima team, 4) increasing the number of Masters swim officials and 5) having prizes at meets/events. We are also working on other ways to increase our knowledge base and serve our membership. Working towards that goal, Larry Krauser of HMS-Spokane Club Masters, attended the "Protecting Athletes: Open Water Safety Conference" in San Francisco March 18-20 and will be serving as our Open Water Committee chair. Lisa Dahl of USMS Club & Coach Development Services came to the CdA meet and gave a brief overview of the opportunities for developing coaches who then can directly benefit USMS members through their programs. Supporting our area coaches to take advantage of these opportunities is another way I would like to see our financial resources used. Providing incentives to host more clinics around the LMSC and possibly develop a regional fitness program are other ideas.

Ultimately, we have financial resources but we have found that the volunteer-time resources are what are limited. Leveraging the money with the limited time people have to offer is how we will best put all of our resources to work. If you have ideas on how the IWMSC can do this, please toss them into the ring.

On Wednesday, September 14, Treasurer Alan Kirpes and I will be making the cross-country trek to Jacksonville, Florida for the USMS annual convention. The workshop topics include Officiating Masters Swimming, USMS.org Tips and Tricks, Qualities of a Successful Masters Program, Insurance Coverage/Liability, and Open Water Safety. We will also be trying to attend as many of the committee meetings as possible. I've been involved in the LMSC Development Committee over the past two years helping with the evaluation of how LMSCs are meeting the minimum standards approved at convention in 2009. It is a Legislation year which means we'll be discussing and voting on any changes to the sections of the USMS that don't involve the rules of pool or open water competitive swimming. Following convention I will publish a summary to the team representatives that we can make available on the IWMSC website.

Spokane Waves Aquatic Team Masters will be hosting their third annual Tri-Fusion "Sink or Swim" Meet on Saturday, October 22nd. You'll find the meet entry form included in this newsletter and we hope you can attend this first meet of the season.

Paige Buehler
IWMSC Chair

## Hydopower Masters 10th place at Spring Nationals

Ellora Wahle

CWST Team Representative

The Central Washington Master's Swim Team attended the USMS National Swim Meet in Mesa, AZ, on April 28-May 1. Several of the 11 swimmers we took posted personal bests, and most dropped time in their events. Baden Sprinkle, in particular, came home with six Top Ten finishes in the 18-24 Men's division.

Our Men's 200 Free and 200 Medley relay in 3rd and 8th respectively, and the Women's 200 Medley finished 9th. Hydropower Masters took 10th Place overall!

We had an outstanding time and are so happy to be participating in Masters swimming!

TOP - A Central Washington University Master's swimmer competes in the outdoor pool at Spring Nationals held April 28th through May 1st.

**LEFT** · Members of the Central Washington University Master's display the 10th place regional club award they helped earn as part of the Hydropower Masters Swim Club.

## A veteran swimmer returns to the open water with . . .

## . No More Excuses

#### Margaret Hair

Lake City Masters

After a 5 year hiatus, I swam in the 18th Annual Steve Omi Memorial Swim on July 17th. Two things enticed me to swim this year. The Coeur d'Alene High School Swim Team agreed to organize the event, relieving me of my responsibilities along with my excuse for avoiding the plunge into the dark waters these past 5 years. The bigger draw was the shark shaped bottle opener for the top 3 finishers in each division. Having aged up to the Masters division, I had a chance to finish in the top 3 if I didn't linger along the way with backstroke and breaststroke. I still was concerned with the water

Margaret Hair, finishing 37th overall and first in the women's master's division

In the water - 135 swimmers brave the 62 degree water at the 18th Annual Steve Omi Memorial Open Water Swim.

temperature being cooler than I like with the wet, cold and way-too-long spring. A perfect excuse to avoid another lake swim. My desire for the shark bottle opener was too strong, so I borrowed Cindy Clutter's long sleeve wetsuit. What a difference that made, not just in my body temperature but in my speed. With a focus rarely seen in me during a lake swim, I methodically stroked my way through the course with only a rare pause to sight the next turn buoy. It was ideal conditions for my return to the Omi Swim. Along with 134 other swimmers, I enjoyed the sunshine, calm water and course layout. And yes, I did bring home a shark bottle opener.

#### CABLE SWIM from pg 1

course.

Swimmers were seeded by their 1650 yd times into heats of 8-10 swimmers. Each heat was started 20 seconds after the one before it, so there was minimal passing.

The 2-mile cable swim (not a national championship, but it will be next year) was held first. Bob Bruce flipped a coin to determine in which direction the 2-mile race would be swum: counterclockwise. That also determined the 1-mile cable swim would be the opposite direction, which was wonderful for me since I LOVE breathing to the right. Participants for the 2-mile cable assembled in their heats, swam to the start line and raced around the course four times. Lots of people used the 2-mile event as their warm up for the 1-mile, but some we're aiming to set new national records. My carpool-mate down from Portland, Dave Radcliff, held every freestyle record in every course in his 75-79 age group in every course except for the 1- and 2-mile cable and he was on a mission...a successful one!

Hydropower Masters Swimmers stuck to the 1-mile championships. Larry Krauser (Spokane Club Masters) would

have set a new USMS record in Men's 55-59 with his time of 22:23.96, if only he had edged out Sandy McDonald for first! Matt Bronson (Fairchild AFB Masters) and Stephen Harger (Moses Lake Manta Rays) joined me on the two loops around the course which we all completed between 28 and 30 minutes.

Matt said of the event, "Hey, cable swims are so fun even Paige is converted to open water swimming!" And I would agree. Swimming alongside a bright vellow cable is about as comforting as it gets for a pool swimmer.

## CAST Classic 2011 Finish Times

Below is the order of finish for each finish and their time, for the open water swim held August 27th in Lake Coeur d'Alene and hosted by the CdA Area Swim Team. Full results, including USA-Swimmingparticipants, are available at www.swimcast.net.

Spokane Waves Aquatic Team Masters organizes the 4<sup>th</sup> annual

Saturday, October 22<sup>nd</sup>, 2011

**Date/Times**: Saturday, October 22<sup>nd</sup>, 2011. Warm-up starts at 1:00pm, Meet starts at 1:30 pm.

**Sponsor**: Spokane Waves Aquatic Team. Sanctioned by Inland Northwest Masters Swimming (IWMSC) for United States Masters Swimming Inc. (USMS) Sanction number 03511022.

Eligibility: All swimmers must be currently registered USMS swimmers or foreign equivalent. New IWMSC/USMS registrations (found in the *Splashmaster*) should be sent to Mark Taylor or can be completed online: <a href="https://www.usms.org/reg">www.usms.org/reg</a>. One event USMS registration is also available for \$15. Forms will be available at the meet.

Rules: All current USMS rules will apply. Certified stroke and turn judge will be present at all IWMSC sanctioned meets. Please consult the 2011 USMS Rulebook about proper stroke and turn rules or see online at www.usms.org/rules/. Events will be seeded slow to fast.

**Deadline:** All entries must be postmarked by October 16th, 2011. Incomplete or late entries will be treated as "deck entries". <u>All Deck entries must be in before 1:00 PM.</u> Competition starts at 1:30

**Fees**: \$20 for entries sent before October 16<sup>th</sup>, \$30 for "deck entries." Make checks payable to: **SWAT**.

Conduct of the meet: Each participant may swim five individual and three relay events.

**Relays**: Submit relay cards to the Clerk of Course by 1:30 PM. Individuals must be signed up with the club they represent to have their relay points count for that club.

Awards: First-Third place ribbons will be available free of charge.

**Directions**: Meet is at the Whitworth University pool. Take I-90 east or west to exit 280. Take 395 North. Take a left on West Hawthorne Rd (there is a Shell station on your right.) Stay straight at the traffic lights. Take the second street on your right (College). Follow the road through the curve left, and then the curve right. Take your first left. The parking lot is on your right hand side, the pool is in the far right back.

Postmarked by: October 16, 2010

Mail Entries to: Harm-Jan Steenhuis

12424 N. Perry. Spokane, WA 99218

Entry fee: \$20.00 prior to October 16

\$30.00 for Deck Entries

Checks payable to: SWAT
